Dear Ms. Heffron:

The Illinois Attorney General's Office has received your complaint regarding Yale University and Infectious Diseases Society of America. Unfortunately, our office does not address the concerns you mention in your letter. We suggest you contact the Illinois Department of Public Health at 1-800-252-4343. Your complaint will be closed but will remain in our database.

If you have additional questions or concerns, please feel free to contact me directly at (312) 814-7095.

Sincerely,

*Patricia Cruz*
